

# AMA Polish Campus Nursing Degree Program

## About the Program:

American Medical Academy, Inc. (AMA), in association with its 100% Polish subsidiary "AMA Poland z.o.o.", offers a six-semester (180 credits) Nursing Degree in partnership with Polonia University in Czestochowa, Poland, at AMA Polish Campus.

Candidates also have the option to pursue an additional two semesters (60 credits) to obtain a Bachelor of Science in Nursing (BSN).

## About Polonia University:

- Established for 33 years, Polonia University is a reputed European institution with over 2,000 nursing graduates working across EU countries and worldwide.
- Licensed & Accredited by the Polish Ministry of Education and Science.
- Official accreditation details: [Click Here.](#)

## Global Recognition & Practical Training:

- Degrees obtained from AP/AMA at AMA Polish Campus are recognized in Poland, all EU countries, Canada, the U.S.A., Australia, the UK, and worldwide.
- The BSN program is conducted in English.
- Practical training is held in Polish and other EU hospitals.
- Erasmus Program: Students receive nursing education & skills training across multiple EU countries.

- A valid Passport Copy
- Photo (3x4 cm)
- Completed AMA Application Form, EUR 120 processing fee payment receipt
- School Certificate Copy (10 +2 with Biology)
- Police Certificate / Good Health Certificate

- Financial Support Proof – A bank statement showing a minimum balance of € 10,000 to confirm financial ability to support studies.

## Employment Opportunities & Salary Expectations:

- After graduation, nurses can secure employment in EU healthcare facilities with a salary range of € 2,000 – € 3,000 per month, plus bonuses and overtime.
- Summer Training Opportunities:
  - Students enrolled in the six-semester nursing program can participate in summer practical training at healthcare facilities across the EU.
  - Training locations include Poland, Germany, Switzerland, Italy, France, Belgium, and the Netherlands.
  - Students can earn between € 500 – € 1,500 per month during summer training, depending on language and communication skills.

### Language Learning & Licensing:

- Polish Language Requirement: A Polish language exam is required for obtaining a Polish Nursing License.
- Language Support:
  - During the first two years, candidates study Polish as a second language to prepare for clinical training in Polish hospitals.
  - Starting in the second year, AMA offers free German, French, and Italian language classes (students can choose up to two).

### USA Nursing License & Employment Opportunities:

- Candidates have the opportunity to pursue a U.S. nursing career after completing the BSN program.
- During the fourth year, students take a preparatory NCLEX course (U.S. Nursing Licensing Exam), taught by experienced U.S. professors.

Tuition fee: 5500 EUR per year (ONLY NOW EUR 1500 scholarship is available for three years for candidates of 2025 academic year)
