Opportunity to live, study, and acquire medical training in the USA (earn college credits)

New group every month (12 times per year)

Visit US universities & nursing training facilities including nursing schools, teaching hospitals, and multiple clinics

Experienced professionals facilitate access to various medical course subjects, clinical observation, medical training, experiential learning, and site visits

It was designed to immerse you in the local culture and provide a profound experience that enriches the rest of the participant's life

Explore the culture in a major US city, visit Disneyland, the Coca-Cola world, and more
